

**APPLICATION**

**ELIGIBILITY:**

Graduate and undergraduate students working in the area of Health Design are invited to apply for the Health Design Award for Innovation. A jury will select a student to receive a \$500 graduation award based on students' submissions and innovative health design projects in the Virtual Exhibition.

**AWARD CRITERIA:**

The winning applicant will be selected based on:

- Innovation
- Originality and viability of a project
- Needs assessment and potential impact
- Overall quality of work and communication

**APPLICATION REQUIREMENTS:**

- Work must be exhibited in The Show online graduation exhibition
- Submission will include a digital PDF of up to 1,000 words and up to five (5) images in support of their application, including:
  - Project name
  - Student's role and contribution to the project; include other contributors
  - Timeframe of project
  - How the project addresses the award criteria
  - Methods and approaches used
  - Images must be clearly captioned
